**FLIPPING BOOK 3D FOR
IMAGE**

About Flipping Book 3D for Image

Convert Image files to Digital Magazines, Newspapers, Advertisements, Catalogues, Brochures, Instructional Manuals, Newsletters, Annual Reports, Direct Mail Advertising, and MORE!!

Flip Image allows you to batch build professional 3D flash flip Books with the “page turning” effect for both online and offline use in minutes, you don’t need any additional software. Import your images, configure book look&feel and convert. This is the best way to create digital (electronic) editions such as any type of publications, magazines, brochures and catalogues. Digitally publishing your documents has never been so easy and affordable.

With using Flipping Book 3D for Image , you just need to add your Images. The program provides you multiple image editing tools for you to optimize the added images before converting: de-skew, crop, flip, rotate, gray scale, and convert to B/W etc. You can also set page layout to impose images.

Note: This product is distributed on a "Try before-you-buy" basis. All features described in this documentation are enabled. The registered version doesn't insert a watermark in your generated page-flipping eBooks.

Detail features include:

- convert images to 3D flash page-flipping eBooks.
- Output to different formats: HTML, ZIP, EXE and Burn to CD.
 - HTML allows you to upload to a website to be viewed online (with title, keywords and other metadata defined).
 - EXE (with setting title, icon and open window size) and Zip allow you to send to your user by email to be viewed on their computer.
 - Burn to CD allows you to burn to disk so that you can send your user physical media for viewing on their computer.
- Set page layout for added images.
- Provides multiple image optimize tools before designing template: flip, rotate, de-skew, crop, convert to B/W, gray scale, etc.
- Output PDF format directly with define PDF properties, encryption, viewer and watermarks.
- Provide multiple templates with previewing effects instantly.
- Add encryption to protect created page-flipping eBooks.
- Insert background music, always play or define times.
- Set background color, image or flash.
- Define language for flash and set book reading from right to left (such as Arabic).
- Choose hard cover for eBooks.
- Customize toolbar buttons to set permissions for downloading, printing, sharing and more.

- Set colors for toolbar, book cover, book shadows, bookmarks and more.
- Set font color, type for windows and bookmarks.
- Set scale for zoom-in function in Classical and Spread templates.
- Export and save settings for future uses.

3D Digital eBook features

With the page-flipping ebook you have created, your user will be able to:

1. Click Page frame bar or navigational buttons to turn pages.
2. Input password to unlock encrypted pages.
3. View with important pages pre-loaded to open quickly, no need to wait for all pages to be loaded.
4. Double-click or click zoom in/out button to zoom in or zoom out pages.
5. Manually define Tilt Angle to view eBook pages.
6. Flip pages automatically.
7. Turn page-turning sound on/off.
8. View eBook detail information.
9. Share eBook URL via Facebook, Twitter, Digg, etc.
10. Print out the whole eBook or a selected range of pages.
11. View page-flipping eBook in full screen.
12. Open in the Browser to a specific page by adding a page index to your URL. E.G.
`www.yourdomain.com/index.html?p=4.`

Using Flipping Book 3D for Image

Flipping Book 3D for Image

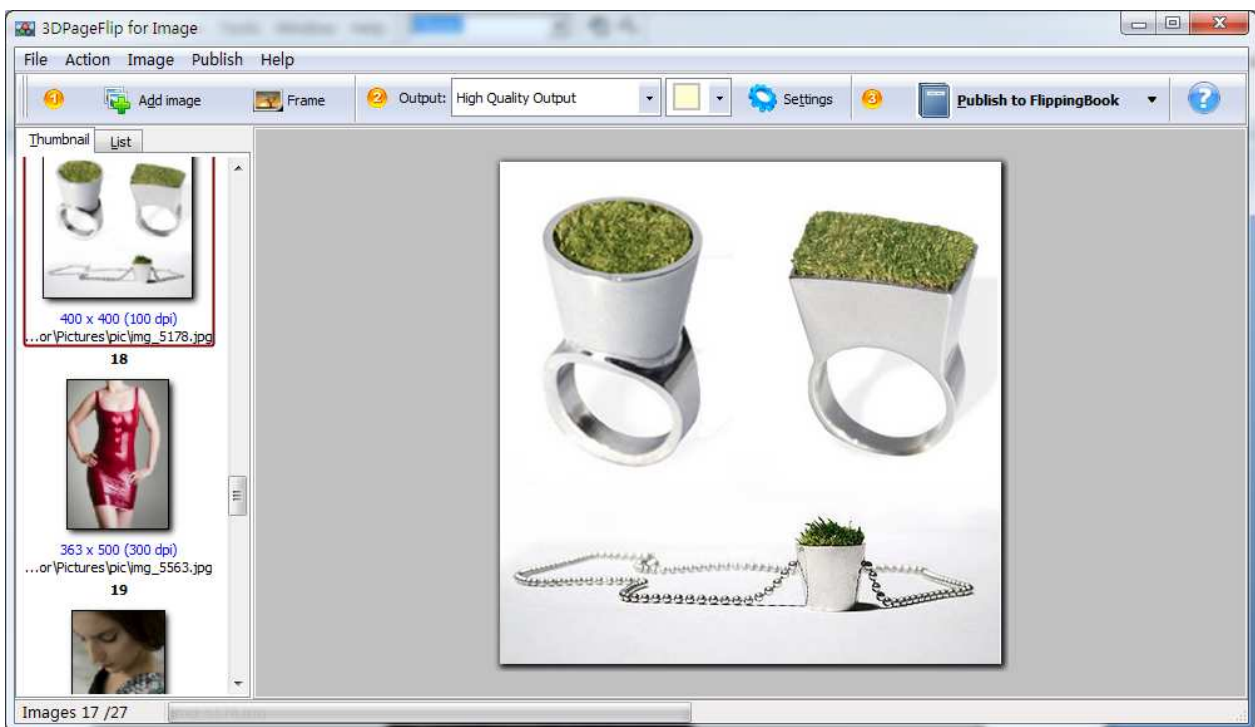

Convert Images into Page-flipping eBooks directly

User Documentation

Flipping Book 3D for Image can be started either by launching the application via the desktop short

cut  , or directly from Windows Explorer.

Start the program, you will see the below initial window:

The instructions below will mainly introduce how to customize your style page-flipping book with ease based on added image files.

I. add images

 Username:

 Username:

 Username:

OK Cancel

5. Language Part

If you want to use another display language for your 3D flipbook, you can click "Flash Language" to enter into the Language Settings interface as below shows:

User Documentation

Panel Description:

As the tips explaining, the "Labeled" column lists the buttons and instructions on Flash books in defined language, and the program provides you two different languages for you to use: English and Chinese.

You can also add other language for your own uses:

1. Click the button  and define name for the new language:

Click "OK" to save the new language in the list;

2. Choose the first label and click "Edit" button , define new language text in "Labeled" box, then click "Save And Edit Next" (Alt+S):

User Documentation

3. At last, you can get all Labels translated into your new language.

You can delete unwanted language:

Or save your edited new language file as XML or TXT file:

Load language file saving before for current using:

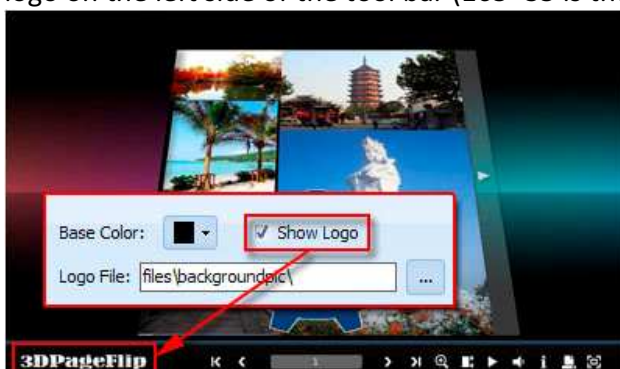

At last, click **Apply Change** icon to apply the settings.

III. Page Layout Panel

1. Tool Bar and Logo Part

You can define the "Base Color" for the tool bar, and check "Show Logo" option to display your logo on the left side of the tool bar (165*35 is the recommended size of your logo image):

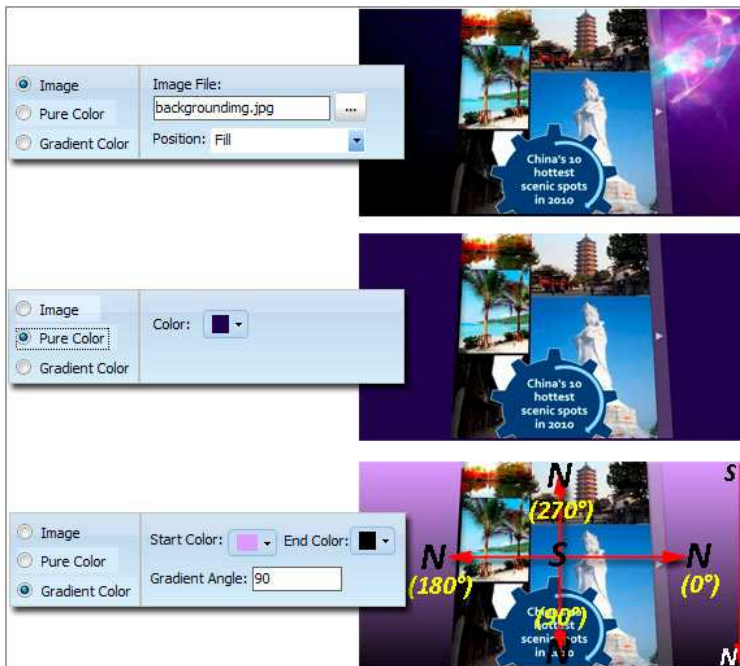

2. Tilt Angle Part

You can define default tilt angle for your created digital book, the value you can set to is number between 0 and 90. The readers can change tilt angle manually too by clicking the "Tilt Angle" icon  or just wheel the mouse directly.

3. Background Config Part

If you don't want to use the background in pre-set templates, you can design your own background with Image or Color directly:

At last, click  icon to apply the settings.

License Agreements

All copyrights to FlashFlipBook3D Standard (the Software) are exclusively owned by FlashFlipBook3D.com. For more information, visit our website at www.FlashFlipBook3D.com.

Anyone may use this software but all the page-flipping eBooks generated will automatically have a demo watermark on the first page of them. To remove the limitation you must register.

Once registered, the user is granted a non-exclusive license to use the Software on one computer (i.e. a single CPU) at a time. The registered Software may not be rented or leased, but may be permanently transferred, if the person receiving it agrees to terms of this license.

The Software unregistered (trial) version may be freely distributed, provided the distribution package is not modified. No person or company may charge a fee for the distribution of the Software without written permission from the copyright holder.

THE SOFTWARE IS DISTRIBUTED "AS IS". NO WARRANTY OF ANY KIND IS EXPRESSED OR IMPLIED. YOU USE AT YOUR OWN RISK. THE AUTHOR WILL NOT BE LIABLE FOR DATA LOSS, DAMAGES, LOSS OF PROFITS OR ANY OTHER KIND OF LOSS WHILE USING OR MISUSING THIS SOFTWARE.

You may not use, copy, emulate, clone, rent, lease, sell, modify, decompile, disassemble, otherwise reverse engineer, or transfer the licensed Software, or any subset of the licensed Software, except as provided for in this agreement. Any such unauthorized use shall result in immediate and automatic termination of this license and may result in criminal and/or civil prosecution.

Installing and using the Software signifies acceptance of these terms and conditions of the license.

If you do not agree with the terms of this license you must remove the Software files from your storage devices and cease to use the product.

How to Order

User Documentation

Order Online (<http://www.FlashFlipBook3D.com>) or Order Toll Free 1-877-353-7297 (When you order toll free just give the operator the product number of the product you would like).

How to purchase online?

1. Select a license type above, and click [Buy Now]
2. Select the currency that you want to use. (You can also continue shopping)
3. Fill billing information and select a payment method. (Your information is safe with us)
4. Check the information you filled previously and click "Place Secure Order"

Other Order Ways—With Phone/Mail/Fax/Check:

If you are not comfortable ordering online with a credit card, you are welcome to choose an offline order option in the payment section of the order process. We accept mail, fax, wire, and PO (if applicable) ordering options in addition to ordering online. We also provide phone orders through our 24x7 order desk at 1-877-353-7297, or (952) 646-5331 for International Callers.

Please note that all of the offline ordering options do have additional fees for processing. To place an order by mail, fax, wire, and PO (when applicable), use the online form and then choose one of these payment options found in the Payment Method section of the form. Once submitted online, the appropriate information will be provided to you in your web browser to send your payment to us offline.

100% unconditional 30 Day Money Back Guarantee
